MUST WORK QUICKLY.

Cable Promoters Received Fa-
vorably in the Committee.

TO BE EXTENDED TO JAPAN.

Probable Reduction in Subsidy-Colonel
Spalding Says Company Will Agree
to any Fair Terms-Rates Reduced.
Marshall Islands May be Touched.

WASHINGTON, Jan. 21.-From
the action of the House Committee
on Commerce today there seems to be
little doubt that the bill authorizing
the Pacific Cable Company to lay a
cable from the Pacific Coast to the

Hepburn accepting the suggestion
made by the committee that the com-
pany shall deposit in the Treasury
\$100,000 in bonds to be forfeited in case
it fails to complete the work within
the specified time; that the rates be-
tween the United States and the is-
land of Oahu shall not exceed 75 cen-
ter word and \$1 50 to Japan and
China; also that after twenty years
Government messages shall be car-
ried at press rates, not to exceed one-
quarter of business rates.

Mr. Bennett of New York has asked
Secretary Olney for an opinion wheth-
er it will be necessary to make a
treaty with the German government
to secure the right to establish a cable
station on Marshall Islands.

COL. SPALDING TALKS.
Presents Cable Matters Before Com-
mittee on Commerce.

WASHINGTON, Jan. 24.-The
House Committee on Commerce gave
a hearing today to Colonel Spalding,
a leading planter of the Hawaiian
Islands, who is working in the in-
terests of the Pacific Cable Company of
New Jersey. The Spalding Com-
pany is chartered for cable connection
between the United States and Ha-
waii, while another company pro-
poses to lay its cable to Japan. Col.

The above map gives a general idea of the country about Havana where the activities of the Cuban insurgents
are at present centered. At last accounts Gomez was still in the neighborhood of San Felipe. Serafin Sanchez con-
tinues toward Camaguey, Judas Martinez, Moses Prospero Rojas and thirty-eight citizens of Pinar del Rio are still very
elected that some 200 residents of Pinar del Rio province have joined the forces of the insurgents. Pablo Oliva
effected a junction at Punta de Laseca, Pinar del Rio, with about 300 other insurgents, and afterward succeeded in
capturing the private goods on the plantation of Murias. Maceo and his men are in the extreme western portion of
Pinar del Rio, according to the latest accounts. The volunteer troops at Pao Real and Guanabo report that large
numbers of insurgents have been passing there in the direction of the city Pinar del Rio, and that they have formed
a junction with Maceo, whose following was about 4000 men.

Hawaiian Islands and Japan will be
favorably reported.

The committee directed the sub-
committee to prepare a bill embrac-
ing certain changes considered desir-
able. There will be also a conference
between the members and the State
Department officials regarding the
arrangement for a cable station on
Marshall Islands, owned by Ger-
many.

The principal points of difference
between the cable company and the
committee are the amount of Govern-
ment subsidy to be granted and the
time to be allowed for laying the
cable. It is proposed by the company
to have the cable working to the
Hawaiian Islands in eighteen months
and completed to Japan in three
years. The bill to be drafted will re-
duce this time. The subsidy asked is
\$180,000 a year for a term of twenty
years, the government to have free
use of the cable in that time.

In the course of the discussion it
was argued that the subsidy asked
was too large in view of the estimated
cost of the work, \$6,500,000 to \$7,000,-
000, and the probable amount of Gov-
ernment business, which the commit-
tee estimated at \$20,000 to \$30,000.
The suggestion was also entertained
that subsidies might be granted by
the Japanese Government and possi-
bly China. The bill to be framed
will probably reduce the subsidy. It
will also embrace provisions to secure
the right of way in the use of the cable.

James S. Scrivenor, president and
E. E. Baylies, vice-president of the
company, have written to Chairman

Spalding stated that his com-
pany was willing to agree to any re-
asonable terms which would secure
the establishment of a cable. It
has secured a subsidy of \$40,000 a year
from the Hawaiian Government. Col-
onel Spalding proposed to give his
concessions to the United States if
this Government would undertake to
lay a cable. As an alternative the
company offer to invest \$1,000,000 if
the United States would guarantee
bonds for an amount not to exceed
\$4,000,000 for a term of twenty years.

DEATH OF HENRY OF BATTENBURG.
Mourners Among "The Merry Wives
of Windsor."

LONDON, Jan. 22.-The news of
the death of Prince Henry of Batten-
burg was received at Osborne, Isle of
Wight early today. The Queen and
Princess Beatrice are prostrated with
grief. The Prince had a relapse yes-
terday on board the British cruiser
Hood, on the way to Madeira, and
died at 9 o'clock yesterday morning.

The Prince returned to Sierra Leone,
west coast of Africa, from which place
the news was cabled.

Everywhere We Go
We find some one who has been cured
by Hood's Sarsaparilla, and people on
all hands are praising this great medi-
cine for what it has done for them and
their friends. Taken in time Hood's Sar-
saparilla prevents serious illness by
keeping the blood pure and all the
organs in a healthy condition. It is
a great blood purifier.

HARSH TREATMENT AT CAPITOL.

The Late United States Secretary
Gresham Anxious for a Quarrel.
The Blount Episode-Denies Pub-
lished Statements-The True Facts.

CHICAGO (Ill.), January 26.-The
Chicago Times-Herald publishes a
long statement from Lorrin A. Thur-
ston, ex-Minister of the Republic of
Hawaii, giving the facts leading to
his recall last spring. Mr. Thurston
says at the outset of his paper that he

had a full reply to his Government of
the complaints against him, but with-
held it until his successor was ap-
pointed. In the meantime Secretary
Gresham died, and the story did not
come out. Mr. Thurston says in part:

"The gist of the only charge made
against me in the letter requesting my
recall is, in substance, that I furnished
the American press for publication
matter which contained comments
and criticism upon the policy pursued
by Mr. Cleveland and Mr. Gresham
toward Hawaii. At that time Hawaii
was represented in Washington by a
Minister and five Commissioners; all
duly accredited and accepted, who
had formally negotiated and signed
an annexation treaty, action on which
was pending before the Senate, while
the relation between the two Govern-
ments were, as they always had been,
most friendly and cordial.

"Immediately after the President's
inauguration information reached the
Hawaiian representatives that he in-
tended to withdraw the treaty. In-
quiry at the State Department met
with a curt refusal to confirm or deny
the report, and the first and only news
of the withdrawal by Mr. Cleveland
of the treaty reached the Hawaiians
through the newspapers. Thus was
initiated the unique and extraordinary
policy of secreting from the accredited
and recognized diplomatic representa-
tives of a friendly Government mat-
ters vitally affecting them to learn of
the intentions of the Government to
which they were accredited solely
through the press.

"The immediate and continued en-
deavors by the Hawaiian representa-
tives to ascertain the intentions of the
President were met by a rigid silence
at the State Department, and the pos-
itive refusal either to state what course
the President would pursue or to allow
the Hawaiian Commissioners to make
any statements or explanations. Mr.
Gresham's repeated reply was: 'When
I desire any information from you I
will let you know.' Meanwhile the
queen's agents were accorded full and
confidential audiences, and received
assurances that the President would
